**COCHIN SPECIAL ECONOMIC ZONE AUTHORITY (CSEZA)
MINISTRY OF COMMERCE & INDUSTRY, GOVT. OF INDIA
CSEZ ADMINISTRATION BUILDING
KAKKANAD, KOCHI-682037.**

INVITATION FOR EXPRESSION OF INTEREST

Cochin Special Economic Zone Authority (“CSEZA”) under the Ministry of Commerce & Industry, Government of India, invites Expression of Interest from eligible, reputed, and experienced Central or State Public Works Organisations/Public Sector Enterprises registered in India for operation, maintenance & management and project management consultancy of Power Distribution System (“PDS”) within Cochin Special Economic Zone (“CSEZ”). The successful bidder shall also be responsible for enhancing the services/functionality of the power distribution system that meets all relevant rules and regulations in force.

The EoI document containing the details of brief introduction, eligibility criteria, instructions to applicants, scope of work, etc. can be downloaded from the website <http://www.csezauthority.in>.

Interested firms who meet the prescribed eligibility criteria as mentioned in the EoI document may submit their application in the format given in Annexure – IV, with necessary documents, if any, along with the covering letter duly signed by an authorized signatory on or before **22.04.2022 by 15.00** hours and attend a meeting/ presentation at **14:30 Hrs on 28.04.2022** at the following address:

Office of the Chairman
Cochin Special Economic Zone Authority
Government of India,
Ministry of Commerce & Industry,
CSEZ Administration Building,
CSEZ PO, Kakkanad, Ernakulam – 682 037.

Queries if any may be referred in writing to the Chairman, CSEZA, at the above-mentioned address or Telephone No.0484-2413111 (Extn. 204) or Email:authority@csez.gov.in

Disclaimer: This Invitation for EoI is not an agreement and is neither an offer nor an invitation by CSEZA to the prospective Applicants or any other person. The purpose is to provide interested parties with information that may be useful to them in the formulation of their Proposals at the stage of Request for Proposal (RFP) pursuant to this Invitation for EoI. This Invitation for EoI includes statements, which reflect various assumptions and assessments arrived at in relation to the Consultancy that may not be accurate.

2.0 Background:

Cochin Special Economic Zone is a designated special enclave serving as an export hub for a diverse set of industries belonging to a variety of sectors like electronics, rubber goods, marine products, and software services. The manufactured goods and IT/ITES from CSEZ are exported, generating foreign exchange for the country. CSEZ functions under the administrative control of the Department of Commerce, Ministry of Commerce & Industry, New Delhi.

Cochin Special Economic Zone Authority is a body corporate created under Special Economic Zone Act, 2005. CSEZA is the owner and Developer of the land in CSEZ and provides all essential infrastructure facilities to the export firms/industries inside the Zone. CSEZA distributes power and water required by the industries in the Zone. The infrastructure comprises a 110KV substation for distribution of power, a water treatment plant, an effluent treatment plant, an incinerator, and a biogas plant within the Zone. The work of a Reverse Osmosis plant is in progress. CSEZA owns several single-storied standard design factories/buildings (SDF) and multi-storied standard design factories/buildings (MSDF) and provides common amenities to its clients in the 103 acres of land with a compound wall. The administrative building of CSEZ is located right across the industrial estate on the other side of the seaport-airport road.

Government of Kerala granted Power distribution license to CSEZA vide *G.O.(Rt)No.118/02/PD* dated 20.6.2002. On obtaining NOC from the KSERC, vide their letter *No.KERC/CSEZ/2/71/2005* dated 1.1.2005, CSEZA started power distribution inside the Zone w.e.f. 1.5.2005.

CSEZA receives bulk power supply at 110 kV Voltage from KSEB substation in Kalamassery through double circuit transmission system, CSEZA has its own 110 kV/11 kV substation to step down the voltage to 11 kV using 2 Nos 12.5 MVA 110 kV power transformers. 11 kV power is distributed to a different location inside the zone through underground cables and 11 kV ring main units to feed 11 kV consumers and also through 11 kV/ 433 Volt distribution transformers to feed LT consumers.

The vital power installations in CSEZ consists of a 110 kV substation yard, two power transformers (110/11 kV 10/12.5 MVA), one 11 kV indoor substation, 11 kV Distribution System with a cabling system of 12.925 circuit Km, 11 kV RMUs, 11kV/ 433 Volt Distribution Transformers and associated LT panels, LT cabling comprising of 10.742 Km LT underground cabling, CSEZ Electrical lab, Solar PV plants, DG Sets, etc.

The above system feeds 166 consumers, among whom 29 are HT consumers, one public/street lighting consumer, and others are LT industrial/commercial consumers. The operation, maintenance, and management of PDS facilities in CSEZ is a function requiring specialized high-quality service and commitment of dedicated personnel, material, and financial resources. Since CSEZA has limited internal resources and inadequate in-house expertise, it is found appropriate that the services of an agency experienced in the subject matter requires to be sought.

3.0 Objective:

The basic objective of this EoI is to enable CSEZA to identify a potential agency that has capabilities and resources for the operation, maintenance & management of the facilities for the distribution of power inside CSEZ. The applicant shall also be responsible for enhancing the services/functionality of the PDS and should undertake services of operation, maintenance, and management of PDS facilities, as if CSEZA's engineering would have done, if there was any. This emphasizes that the potential agency needs to have rich experience in governmental projects and sound knowledge of various statutes, manuals, codes, regulations, methods of bookkeeping, procedural/legal formalities of vetting/approvals applicable in government. Hence, considering that the potential agency needs to undertake various functions like CSEZA's own engineer and also employ their knowledge and experience in government, this EoI is invited from Public Works Organisations (PWOs) and Public Sector Enterprises (PSEs). The successful bidder agency should enter into an agreement with CSEZA for the operation, maintenance & management of PDS.

4.0 Scope of Work:

The PDS in CSEZ comprises Substation, HT & LT Distribution networks, Transformers, RMUs. Detailed listing & description of the PDS is given in **Annexure-3**. The selected agency/firm shall supervise, oversee & manage the PDS of CSEZ employing the required staff. The selected agency/firm, if necessary, may invite tenders and engage contractors for undertaking the works connected with the regular operations, repairs maintenance, and management of PDS of CSEZ. When contractors are hired by the selected agency/firm through a tender process for carrying out the O&M works of PDS, the payments to such contractors shall be through the bills raised by the selected agency as per actual tendered cost.

Generally, works in CSEZ could be Original/Minor/Repair. Original works are new constructions, site preparation, additions/alterations to existing works, special repairs to newly purchased or previously abandoned structures, including remodeling or replacement. Minor works are works that do not create new assets. Repair works are undertaken to maintain building and fixtures and are undertaken as Annual repairs and Special repairs. The selected agency shall also act as a Project Management Consultant (PMC) of CSEZA undertaking all works of PDS above a specified value on the basis of payments as a % of the total project estimate. The PMC shall provide the CSEZA consultancy services like expert or strategic advice, feasibility studies, engineering services, architectural services, finance, accounting, taxation service and shall undertake small works or supply of goods or other services which are incidental or consequential to such services. The design of the Works shall be done by the PMC and shall also give all technical/engineering advice to CSEZA.

The bid amount/tender value shall be the O&M fees for the selected agency for providing Operation, Maintenance & Management services per year. The Charges payable to the selected agency as a PMC shall be a percentage of the value of the works.

Services to be undertaken by the successful bidder are enclosed as Annexure-I

Duties and Responsibilities of the successful bidder are enclosed as Annexure-II

5.0 Eligibility criteria of the successful bidder/selected agency:

| Sl. No. | Eligibility criteria |
|---------|--|
| (a) | Should be a Central or State Public Works Organisation/Public Sector Enterprise registered in India |
| (b) | Should have an annual turnover of at least Rupees two crore per annum, along with an annual net profit, for FY 2017-18, 2018-19, and 2019-20. |
| (c) | Should have experts/personnel who have experience in: (1) operation, maintenance & management of substation having a capacity of 33 kV and above; and (2) operation, maintenance & management of power distribution system |

6.0 List of essential experts/personnel to be provided by the successful bidder/selected agency:

| Designation | No. of Personnel | Educational Qualification | Experience on eligible assignments |
|------------------------------|-------------------------|-----------------------------------|---|
| Resident Engineer | 1 | Degree in Electrical Engineering | Bachelor's degree in Electrical Engineering with minimum 15 years' experience in operation and maintenance of substation having a capacity of 33 KV and above and also minimum 15 years' experience in operation and maintenance of power distribution system. Thorough knowledge on statutory rules and regulations in electric supply and distribution system. Should have experience in any Government organization/ Government undertaking/ corporations / private sector entities. Should have experience in regulatory matters of Central and State Regulatory Commissions. |
| Assistant Engineer | 1 | Degree in Electrical Engineering | 5 years experience in the field of power distribution and maintenance. |
| Junior Engineer / Supervisor | 1 | Diploma in Electrical Engineering | Minimum 5 years industrial experience |
| IT Manager | 1 | BCA/MCA/ B Tech | Minimum 5 years experience in IT operations |
| Finance Manager | 1 | M Com/MBA (Finance)/ CA/ICWA | 5 years experience in accounting and knowledge in tally, MS-Excel, Word, etc. |

6.1 Note: Should also have the bench strength for key positions coverage/readiness and sufficient internal candidates' pool as substitutes/replacements when the regular manpower recruited goes on leave/have to be replaced. At any rate, if the regular manpower as above is absent/on leave, a competent internal candidate has to be deployed in place of him/her if the leave/absence is beyond a period of 3 days.

7.0 Instructions to applicants

EoI document can be downloaded from the website <https://etenders.gov.in/e procure/app>.

All costs & expenses associated with submission of the EoI document shall be borne by the applicant and CSEZA shall have no liability in any manner in this regard or if it decides to terminate the EoI process for any reason whatsoever.

The intending bidder must go through the EoI document carefully. The bidder shall ensure to meet the conditions of eligibility described in the EoI. Failure to comply with the requirements spelled out in EoI shall make the proposal liable to be rejected.

CSEZA reserves the right to verify all statements, information, and documents submitted by the bidder in response to this EoI. Failure of the CSEZA to undertake such verification shall not relieve the applicant of its obligations or liabilities hereunder nor will it affect any rights of CSEZA thereunder.

The EoI application will be sealed in an envelope that will bear the address of CSEZA, EoI notice No., the Applicant's name, and the name and address of the applicant. Interested firms may send their applications in the format provided in the Annexure-IV to reach on or before **15.00 hours** on **22.04.2022** with the following heading/caption:

“EoI-For selection of an Agency for Power Distribution System, Do not open, except in presence of the Authorised person”;

and addressed to:

**Chairman,
CSEZ Authority,
CSEZ Administration Building,
Cochin Special Economic Zone,
Kakkanad, Kochi-682 037**

If the envelope is not sealed and not marked as instructed above, CSEZA assumes no responsibility for the misplacement or premature opening of the contents of the application submitted.

The application shall be made only in the Form specified in this EoI.

This is a non-committal EoI. Participation in the second stage (Request For Proposal) shall not be limited to the participants in this EoI and shall be open to all.

Late applications

Applications received by the CSEZA after the specified time on the due date shall not be eligible for consideration and shall be summarily rejected.

Any alteration/modification in the application or additional information or material supplied subsequent to the due date, unless the same has been expressly sought for by CSEZA, shall be disregarded.

In exceptional circumstances, the CSEZA may request the applicant's consent for an extension to the period of validity of this EoI. The request and the response thereto shall be made in writing. The declaration for this EoI shall also be suitably extended. An applicant accepting the request and granting extension will not be permitted to modify his EoI.

CSEZA is not bound to accept any EoI and reserve the right to accept or reject any EoI, and to annul the selection process and reject all EoIs at any time prior to the award of the selection without assigning any reason(s) whatever and without thereby incurring any liability towards the affected participant(s) on this ground.

This is a non-committal EoI wherein participation in the second stage/RFP will not be limited to the participants in this EoI.

Conflict of Interest

If there is any indication that a conflict of interest exists or may arise, it shall be the responsibility of the applicant to inform CSEZA, detailing the conflict in writing as an attachment to this EoI application.

CSEZA will be the final arbiter in cases of potential conflicts of interest. Failure to notify CSEZA of any potential conflict of interest will invalidate any verbal or written agreement.

A Conflict of Interest is where a person who is involved in the procurement has or may be perceived to have a personal interest in ensuring that a particular applicant is successful. Actual and potential conflicts of interest must be declared by a person involved in the EoI process.

Last date for submission of EoI:

The last date of submission of EoI is 22.04.2022 (1500 Hrs)
EoI Opening Date & Time is 25.04.2022(1500 Hrs.)

Secretary in Charge,
Cochin Special Economic Zone Authority
CSEZ Administration Building
Cochin Special Economic Zone
Kakkanad – 682 037
Tele No. 0484-2413111.

ANNEXURE- I

Services to be undertaken by the successful bidder

1. Preventive/Scheduled/Break down maintenance.
2. Maintaining uninterrupted power supply inside the CSEZ.
3. Enhancing the life expectancy of power equipments and connected infrastructure and buildings inside the CSEZ.
4. Identifying errors/variations/deviations in the O&M works.
5. Preparation of drawings, designs, and estimates for the O&M works.
6. Preparation of NIT (e-tendering also), Tender evaluation & awarding of O&M work.
7. Preparation of draft orders/agreements relating to purchase, work hire and hire purchase.
8. Procure essential materials required for O&M works only after confirmation from CSEZA.
9. Quality assurance and quality control.
10. Project monitoring through site inspection.
11. Preparation of reporting documents.
12. Arrange to prepare an estimate to carry out repair of tools and carry out repairs to equipment and requisition for materials required.
13. Preparation of various reports and returns as required by KSERC, CEA, BEE, etc. and monitoring of power consumption and related subjects.
14. Assistance to CSEZA in expansions and modifications of the system in place.
15. Liaisoning with KSEB, Electrical inspectorate, Central and State departments and municipal authorities and preparation & presentation of reports and its follow up and other related correspondences.
16. Ensure the preparation, technical soundness, and correctness of all O&M works to be carried out in substation, distribution line, etc.
17. Procurement and Storage of materials/consumables/spares/accessories required for the upkeep and maintenance of substation and distribution network.
18. Maintain tools and plant and other equipments entrusted to the O&M agency.
19. Testing and preparation of reports of power supply metering equipments provided by the consumers and/or purchased by CSEZA.
20. Operation, maintenance, monitoring and management of existing and additional Solar Photovoltaic System (SPV) installed in CSEZ.
21. Supervising maintenance/replacement/repair works.
22. Providing suggestions/comments on draft notifications issued by KSERC as well as Regulations/Orders issued on this behalf by any government agency (CEA, BEE, etc).
23. Scrutinizing and compiling technical statements.
24. Arrange to survey and report scarp and other unserviceable items in time and its disposal.
25. Arrange remittance of all statutory payments.
26. In case of theft of CSEZA property, inform police as well as CSEZA and follow up the case.

27. In case of any accidents, follow the formalities as per relevant Act.
28. In case of damages to property, report to CSEZA and inform police (if required), prepare estimates and assess damages, prepare site mahazars duly witnessed and arrange for the realization of the amount.
29. Issuing completion certificate and a brief note on the work.
30. Preparation, verification and certification of bills for payment stating satisfactory completion of the work as per the design, drawing and specifications as provided in NIT.
31. Providing comments/suggestions/advice for safeguarding the interest of CSEZA on all PDS matters as and when required including that on Regulations/Orders issued by KSERC.
32. Advising CSEZA and taking necessary steps for power procurement.
33. Ensure compliance with Electricity Act (2003), KSERC regulations and preparation & presentation of ARR&ERC, Truing up and other related correspondences.
34. Arrange final statement on materials and labour for O&M works.
35. Ensure proper functioning of prepaid metering of consumers, generation of bills, follow up of payment, associated disconnection/reconnection, etc. as per the relevant regulations in force.
36. Close monitoring, management and modifications of existing prepaid metering and billing system including software system.
37. Plan, propose, design, tender, implement, supervise and manage new/improved prepaid metering/smart metering system and software system as may be required for efficient monitoring of energy uses, enhancing collection efficiency, etc. taking into consideration energy audit and various reports to be submitted to different organizations viz, KSERC, BEE, ANERT, KSEBL, etc. or as desired by CSEZA.
38. Functioning as PMC for Works with the same scope of work described for O&M Works.

ANNEXURE -II

Duties and Responsibilities of the successful bidder

1. Timely and qualitative completion of Works using effective management practices.
2. Taking every care for preventing errors/variations/deviations in the Works.
3. Regular operation, maintenance & management and measures to enhance the life expectancy of equipments, infrastructures and buildings connected to PDS inside CSEZ.
4. Ensure uninterrupted operation of the system through preventive/break down/scheduled maintenance.
5. Most efficient, effective and optimum usage of PDS inside the Zone.
6. Maximum service to consumers w.r.t power supply inside CSEZ.
7. Maintenance of proper records of operation and maintenance (Logbook, registers, checklist etc.) as in practice wherever necessary by a distribution licensee).
8. Preparation of reports and taking steps to generate such reports through software as and when sought by CSEZA. The O&M Agency shall also prepare documents required for presentation within the time stipulated for it. For the preparation of document, they shall interact with CSEZA, Chartered Accountant appointed by CSEZA and any other agency.
9. Compliance of safety rules and regulations.
10. Maximum system availability. Manage and make the best use of all resources available.
11. Safeguarding the interest of CSEZA on all matters related to PDS.
12. Except in emergency situations, repairs (minor or major) shall be carried out only on prior written permission from the Procuring Entity. The PMC cum O&M Agency shall also intimate the Procuring Entity, the nature of maintenance, approximate cost of materials and manpower. Ensure that advance intimation is given to units in advance regarding repair of electrical system.
13. Procurement and Storage of materials/consumables/spares/accessories shall be carried out by the PMC cum O&M Agency adopting competitive bidding procedures after approval from the Procuring Entity.
14. Maintain tools and plant, vehicles and other equipments entrusted to The PMC cum O&M Agency in proper condition and render accounts.
15. Ensure that the work of contractors conform to specifications, construction standards and statutory provisions.
16. Ensure that the materials/resources/services of the Contractor appointed with the consent of CSEZA are available 24 hours, 7 days a week.
17. Ensure that completion certificate and a brief note on the work executed are attached along with the final bill of repair/maintenance work.
18. Submit bills within a month's period after satisfactory completion of minor work.
19. Take necessary steps to ensure safe working practices. Ensure that the supervisors are adhering to safety practices strictly.

20. The PMC cum O&M Agency shall be bound by the store accounting principles and any direction issued by the CSEZA from time to time. Account materials drawn from stores, issued, taken back / unused according to accounting procedures.
21. Maintenance of all mandatory registers including asset and stock registers.
22. Ensure availability of safety devices at substation and other electrical installations.
23. Manage and support all computerization activities including data collection & updating.
24. Ensure availability of computers, UPS, peripherals and stationary. Manage all computerized operations.
25. In case of petitions especially regarding allegations against the staff under PMC cum O&M Agency, conduct enquiry and report.
26. Ensure that personnel newly joining are familiarized with the layout and standard operating procedures. Provide and arrange for training to personnel as per requirement.
27. Take all possible measures to ensure good public relation and customer satisfaction. The personnel of PMC cum O&M Agency shall behave politely and courteously with all concerned and take steps to foster a customer friendly environment.
28. To take measures to maintain the premises of office, substation, etc neat & clean as well as ensure good housekeeping.
29. Maintaining proper registers for service connections and disconnections, compliant register as per standards of performance regulations etc.

ANNEXURE – III

Detailed listing and description of the Power Distribution System within Cochin Special Economic Zone

CSEZA receives bulk power supply at 110 KV Voltage from KSEB substation in Kalamassery through double circuit transmission system, CSEZA has its own 110 kV/11 KV substation to step down the voltage to 11 KV using 2 Nos 12.5 MVA 110 KV power transformers. 11 KV power is distributed to different location of the zone through underground cables and 11 kV ring main units to feed to 11 KV consumers and through 11 kV/ 433 Volt distribution transformers to feed Lt consumers.

List of major equipment is given below:

110 /11 KV substation

- 110 KV substation yard
2nos 110/11 kV 10/12.5 MVA power transformers complete with associated Circuit breakers, isolators, Current transformers, Potential transformers, Metering system, Lightning arrestors and protection system, 11 KV underground cables, etc complete.
- 11 KV indoor substation complete with 11 KV panels with VCBs, Battery and Charging system, inverter for critical supply, DC supply system for controls and protection, 110 KV feeder control panels, tap changer control panels, transformer cooling fan panels, 11 KV Power capacitors, LT panels, etc complete.

11 kV Distribution System

- 11 kV underground cabling system – 12.925 circuit Km
- 11 KV Ring Main - 3 rings
- 11 KV RMU s- Total 17 nos (Ring 1-6 nos, Ring 2-5 Nos and Ring 3-6 Nos)
- 11 KV HT panel in SDF No 16- 1 No HT panel with one incomer and 5 Nos outgoing feeders.
- 11 kV direct feeders to major consumers like WFB Baird, Carborandum Universal, Muthoot Technopolis and SFO Technologies.

11kV/ 433 Volt Distribution Transformers and associated LT panels

Total 18 Nos distribution transformers comprising of

- 2nos 1250 KVA in SDF 17
- 1 No 1250 kVA in SDF 43
- 1 No 800 KVA for Solar Power plant
- 1 No 630 kVA in Plot No. 30 building

- 5 Nos 500 KVA- 3 nos in Rings, 1 no in WTP and 1 No in Ware house.
- 3 Nos 400 KVA- 2 Nos in SDF 16 and One no in 110/11 KV substation for Auxiliary supply
- 2 Nos 1250 KVA in the new SDF Building(SDF3)
- 1 No 250 KVA in the new SDF Building(SDF3)
- 1 No 500 KVA in Admin Building.
- 1 No 500 KVA in ZLD project.

LT cabling

Comprising of 10.742 Km LT under ground cabling from distributions transformers to LT panels / from Lt panels to consumer premises.

CSEZ Electrical lab

Consisting of CT PT test equipment and meter testing system located in SDF 16

Solar PV plants

- 636 kWp grid connected solar PV plants installed in SDF 16, 17 and 43
- 653 kWp grid connected solar plants in Ground mounted and Ware house roof mounted.

DG Sets

- 1 No 1 KVA single phase and one No 5 KVA ,3 phase in 110 KV Substation

No of consumers and associated metering system

As on date,there are 166 Nos total consumers and associated metering system

- 28 Nos HT industrial consumers
- 1 No HT Agricultural consumer
- 93 Nos LT industrial consumers
- 1 No public Lighting (street lighting) consumer
- 14 Nos LT commercial consumers
- 29 Nos LT other categories including temporary construction purpose

Note: Applicants shall visit site and familiarize themselves with the existing infrastructure of Power Distribution System to understand the nature and scope of work.

ANNEXURE-IV

FORMAT FOR APPLICANT'S EXPRESSION OF INTEREST

To

The Chairman,
Cochin Special Economic Zone Authority,
CSEZ Admin Building,
CSEZ PO Kakkanad Cochin 682037.

Sub: Submission of Expression for Selection of an Agency for Operation, Maintenance & Management and Project Management Consultancy of Power Distribution System within Cochin Special Economic Zone

Dear

In response to the Invitation for Expressions of Interest (EoI) published on 08-03-2022 for the above purpose, we would like to express interest to carry out the above proposed task. The following table contains the details pertaining to Organization, Financial strength and other additional information along with a signed Declaration.

| S.No | Organizational Details | |
|-------------|--|--|
| 1 | Name of Organization | |
| 2 | Main areas of business | |
| 3 | Type of Organization Firm/Company/Partnership firm registered under the Indian Companies Act, 1956/the Partnership Act,1932 | |
| 4 | Whether the firm has been blacklisted by any Central Govt./State Govt./PSU/Govt. Bodies/Autonomous? If yes, details thereof. | |
| 5 | Address of registered office with telephone no. & fax | |
| 6 | Address for Communication | |
| 7 | Contact Person with telephone no. & e-mail ID | |

| Financial Strength of the Organization | | | |
|---|----------------|------------------------------------|--------------------------------------|
| Sl. No | Financial Year | Annual Turnover (in Crores of Rs.) | Annual Net Profit (in Crores of Rs.) |
| 1 | 2017-18 | | |
| 2 | 2018-19 | | |
| 3 | 2019-20 | | |
| Additional Information | | | |
| | | | |

Declaration

We hereby confirm that we are interested in competing for the Selection of Agency for Operation, Maintenance & Management and Project Management Consultancy of Power Distribution System within Cochin Special Economic Zone.

All the information provided herewith is true and correct.
